

De fleste børn har masser af fantasi, men engang imellem har de brug for inspiration.

Denne bog giver ideer til mange forskellige ting at bygge - fra helt enkle modeller til mere vanskelige og komplicerede.

Det er ikke sikkert, du kan bygge alle modellerne nøjagtigt som de er vist i bogen, fordi du mangler nogle af elementerne. Men byg alligevel. Det vigtigste er at bruge de klodser, du har, på nye måder.

God fornøjelse!

De fleste barn har en masse fantasi, men likevel har de fra tid til annen behov for inspirasjon.

Denne boken inneholder mange forskjellige byggeidéer - fra de enkleste

modeller til de mer kompliserte.

Det er ikke sikkert at du kan bygge alle modellene nøyaktig slik de er vist i boken, fordi du mangler noen av elementene. Men bygg allikevel. Det viktigste er å kunne bruke de klossene du har på nye måter.

God fornøyelse!

Alla barn har mycket god fantasi. Trots detta behöver de någon gång litet extra inspirationsmaterial.

Denna bok ger idéer om hur man bygger med LEGO byggsystem. Både enkla

och svåra byggen visas.

Det är inte säkert att du kan bygga modellerna exakt som vi visar, eftersom du förmodligen saknar vissa byggstenar. Men bygg ändå. Det viktigaste är att du börjar bygga och försöker skapa något som liknar dessa modeller.

Lycka till!

Useimmilla lapsilla on vilkas mielikuvi-tus, mutta välistä he tarvitsevat hiukan inspiraatiota.

Tämä kirja tarjoaa runsaasti mahdollisuuksia erilaiseen rakentamiseen yksinkertaisista malleista vaikeisiin ja monimutkaisiin.

Et ehkä pysty rakentamaan kaikkia kirjan malleja täysin ohjeiden mukaisesti, koska Sinulta puuttuu joitakin osia. Mutta rakenna siitä huolimatta! Tärkeintä on, että opit käyttämään omia palikoitasi uusilla tavoilla.

Pidä hauskaa!

Most children have lots of imagination, but once in a while they can use a bit of inspiration.

This book gives ideas for many different things to build - from very simple models to more difficult and complicated ones.

You may not be able to build all the things exactly as they are shown because you lack some of the pieces. But build anyway. The most important thing is to use the bricks you have in new ways.

Have a good time!

De meeste kinderen hebben erg veel fantasie, maar soms moeten zij een beetje op weg geholpen worden.

Dit boek staat vol met ideeën voor het bouwen van eenvoudige werkjes, tot de meest opwindende modellen.

Als je enige elementen (nog) niet hebt, raden we je aan om toch te proberen het model te maken. Je ontdekt dan vast nieuwe mogelijkheden met de stenen of elementen die veel al voorkomen in je LEGO verzameling.

Veel plezier!

Les enfants ont une imagination débordante mais ils ont aussi besoin d'une source d'inspiration.

Cette brochure propose plein d'idées de constructions, des modèles très faciles aux modèles plus élaborés.

Peut-être te manquera-t-il quelques éléments pour construire ces maquettes. Ce n'est pas grave. Imagine tes propres modèles et réalise-les avec les briques que tu possèdes déjà.

Amuse-toi bien!

I bambini hanno molta immaginazione, ma a volte essi hanno bisogno anche di stimoli e suggerimenti.

Questo libro contiene molte idee per la realizzazione di tantissimi soggetti usando i mattoncini LEGO - dai modelli più semplici alle costruzioni più difficili e complicate.

Talvolta non riuscirai a costruire i modelli esattamente come sono raffigurati perché ti mancheranno dei pezzi particolari; non preoccuparti e costruisci comunque usando il materiale che hai a disposizione. Scoprirai in quanti modi diversi si possono usare i mattoncini LEGO.

Buon gioco!

Obwohl alle Kinder über Fantasie-Reichtum verfügen, brauchen sie dennoch verschiedene Anregungen, um ihre Fantasie einzusetzen.

Dieses Buch enthält viele lustige und interessante Bau- und Spielideen für einfache und schwierige Modelle sowie komplizierte Konstruktionen.

Sollten einige Steine fehlen, um die Modelle genauso zu bauen, wie sie in dem Buch beschrieben sind - so macht das überhaupt nichts, denn das große Vergnügen liegt in der ständig neuen Anwendung der Elemente. Viel Spaß dabei!

A maior parte das crianças tem muita imaginação, mas uma vez por outra podem utilizar um pouco de inspiração.

Este livro oferece ideias para a construção de muitas coisas diferentes desde os modelos mais simples aos mais difíceis e complicados projectos.

Talvez não consigas construir todos os modelos, exactamente, como aparecem no livro, porque te faltam alguns elementos; mas tenta mesmo assim, o mais importante é poderes utilizar as peças que tens, de maneiras diferentes.

Diverte-te!

Aunque los niños tienen una gran imaginación, de vez en cuando les viene bien tener a mano donde inspirarse.

En este libro se dan ideas para construir muchas y muy distintas cosas (desde los modelos más simples a los proyectos más difíciles y complicados).

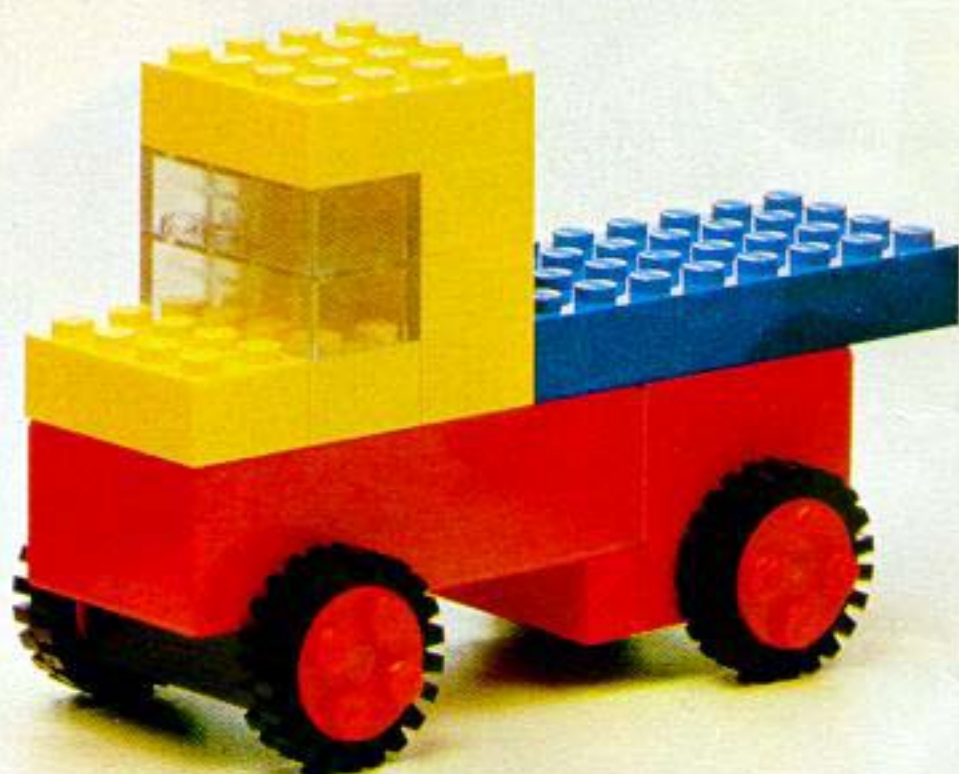

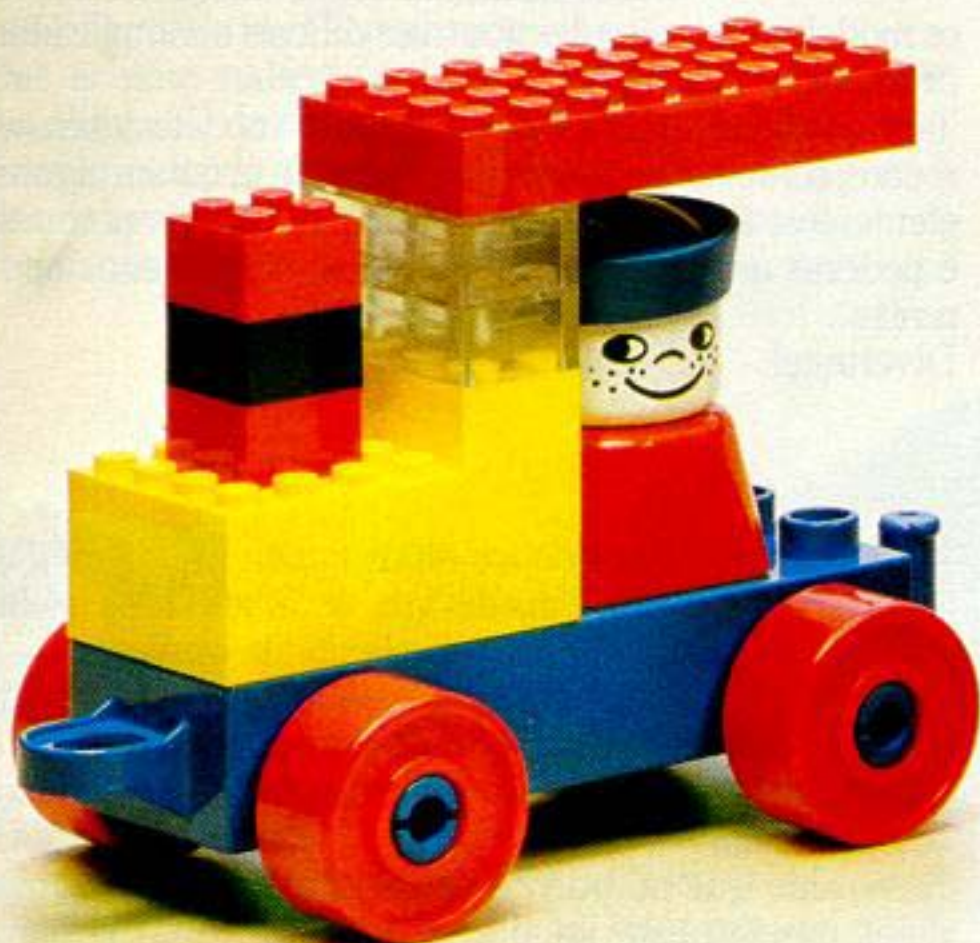

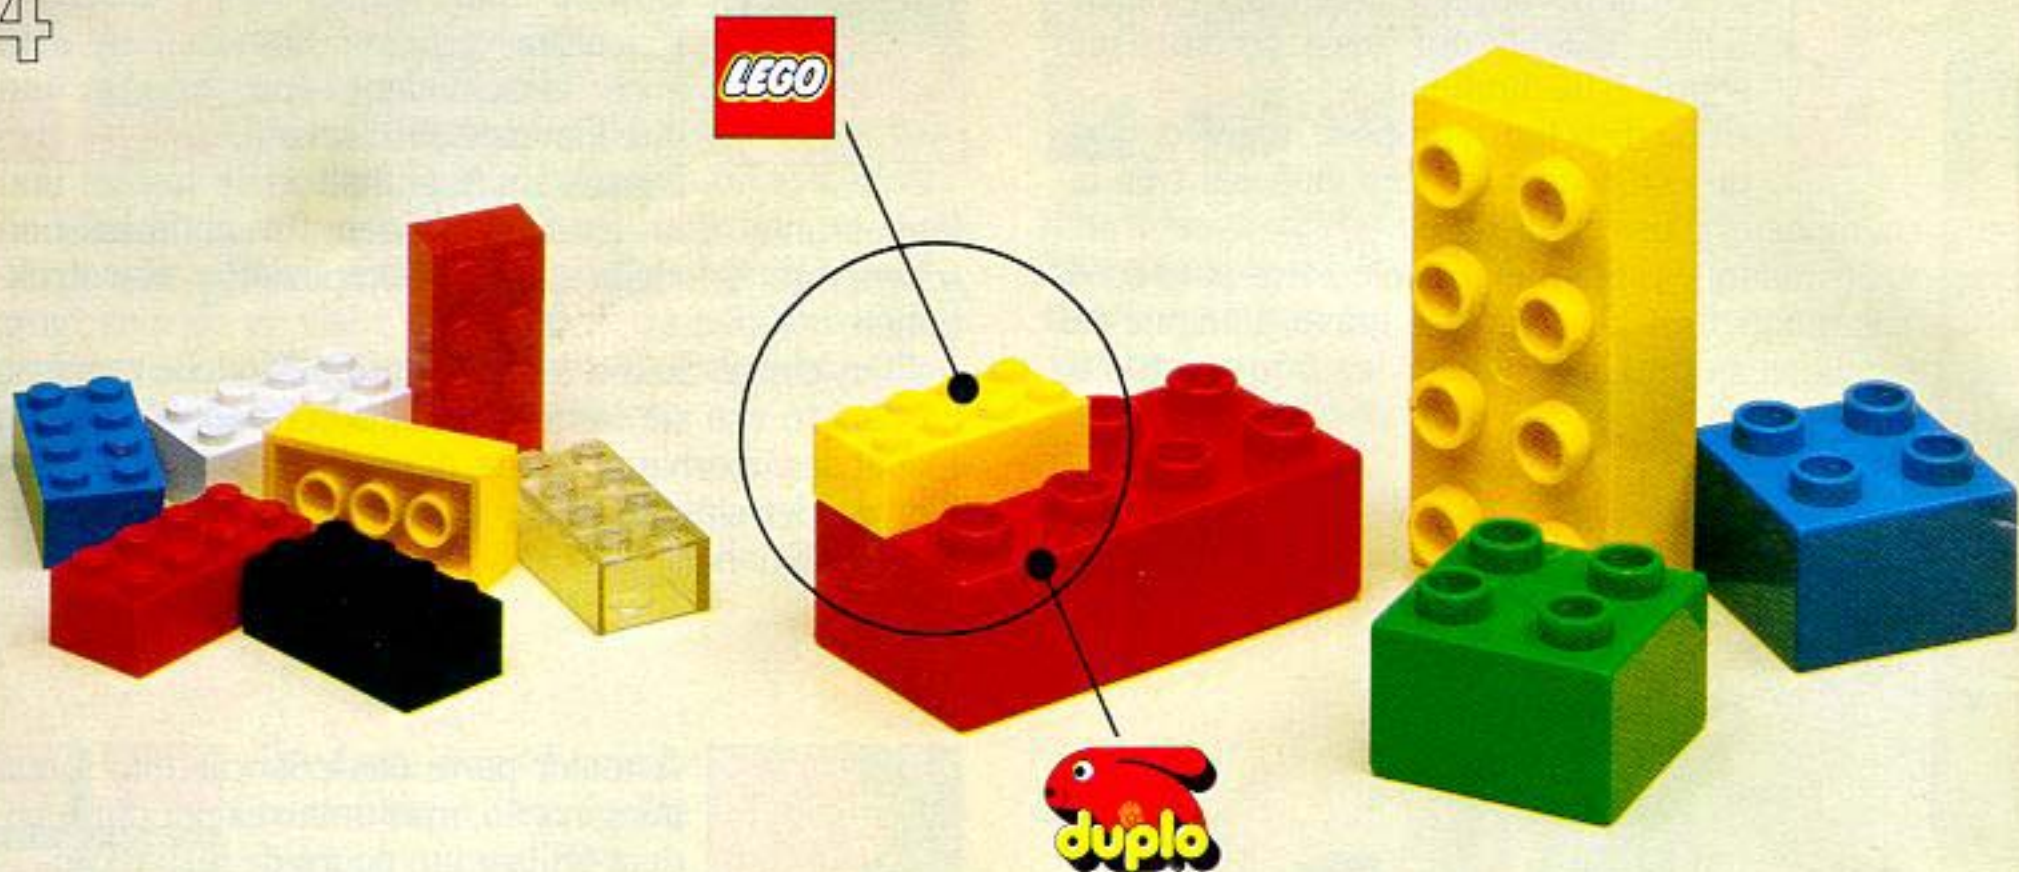

Es posible que no puedas construir alguno de los modelos exactamente igual que como se ve en el libro, porque te falte algún elemento. No importa. Construyelo a tu modo. Lo más importante es que puedas usar los elementos que ya tienes de formas diferentes y nuevas.

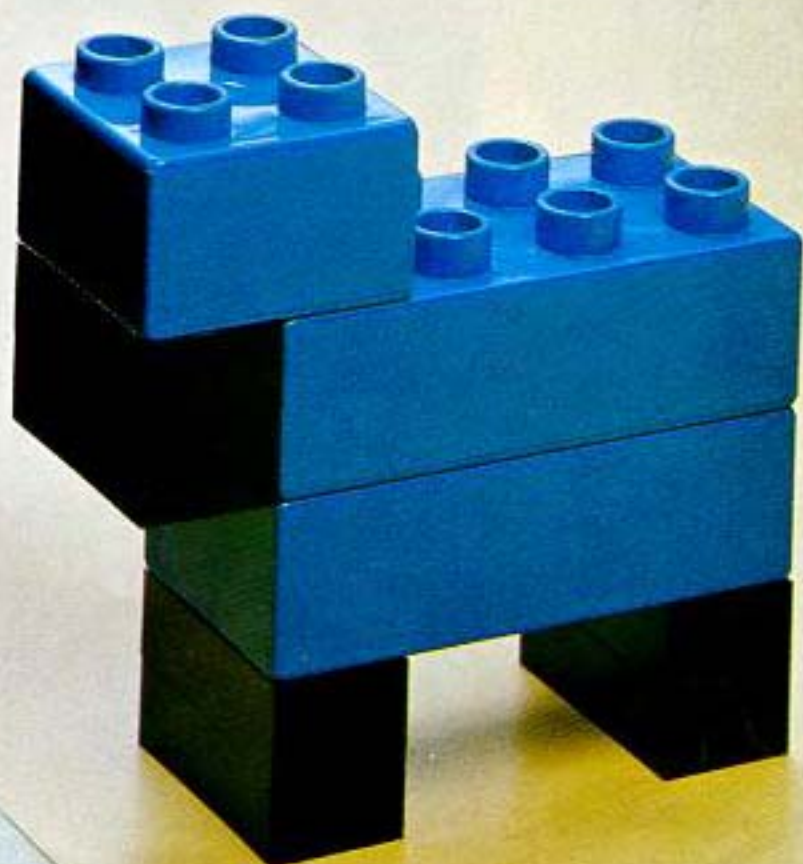

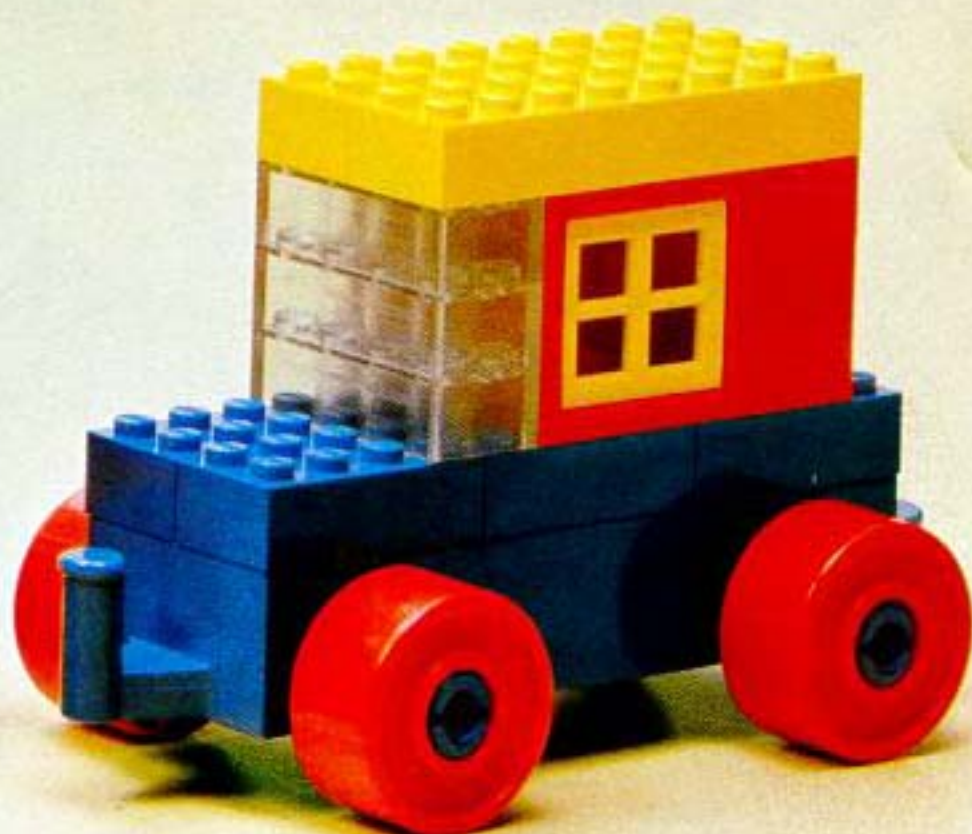

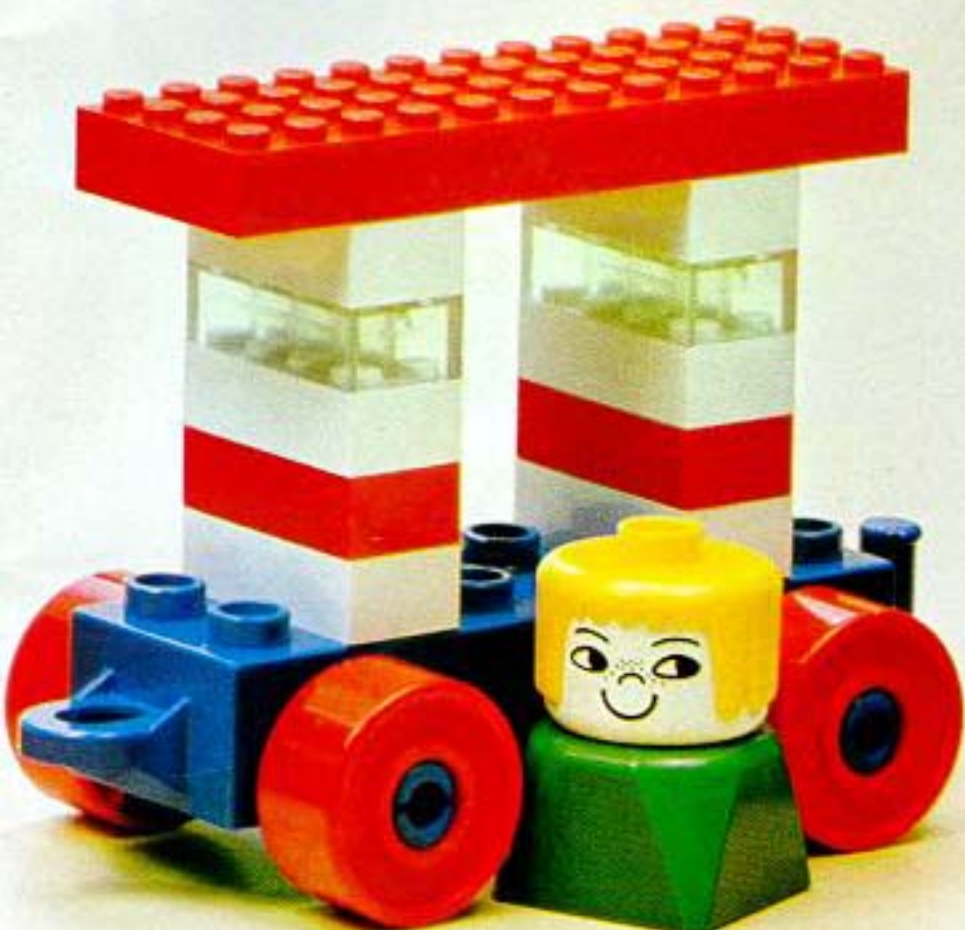

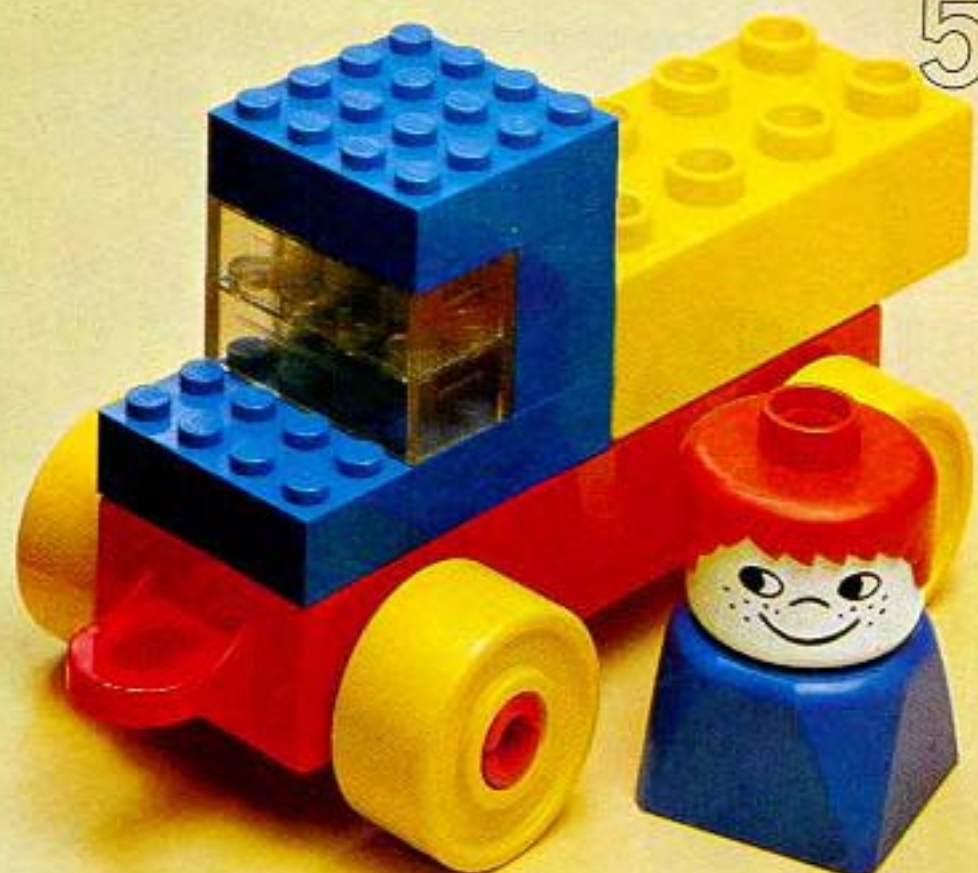

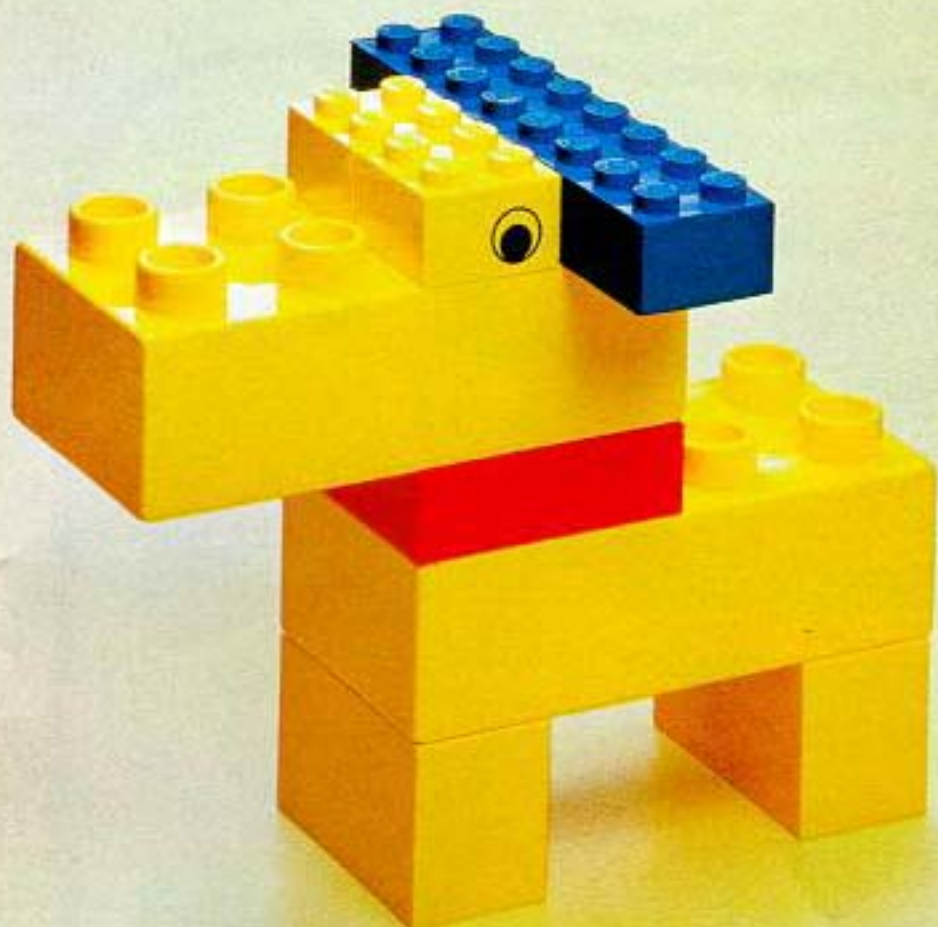

¡Que te diviertas!

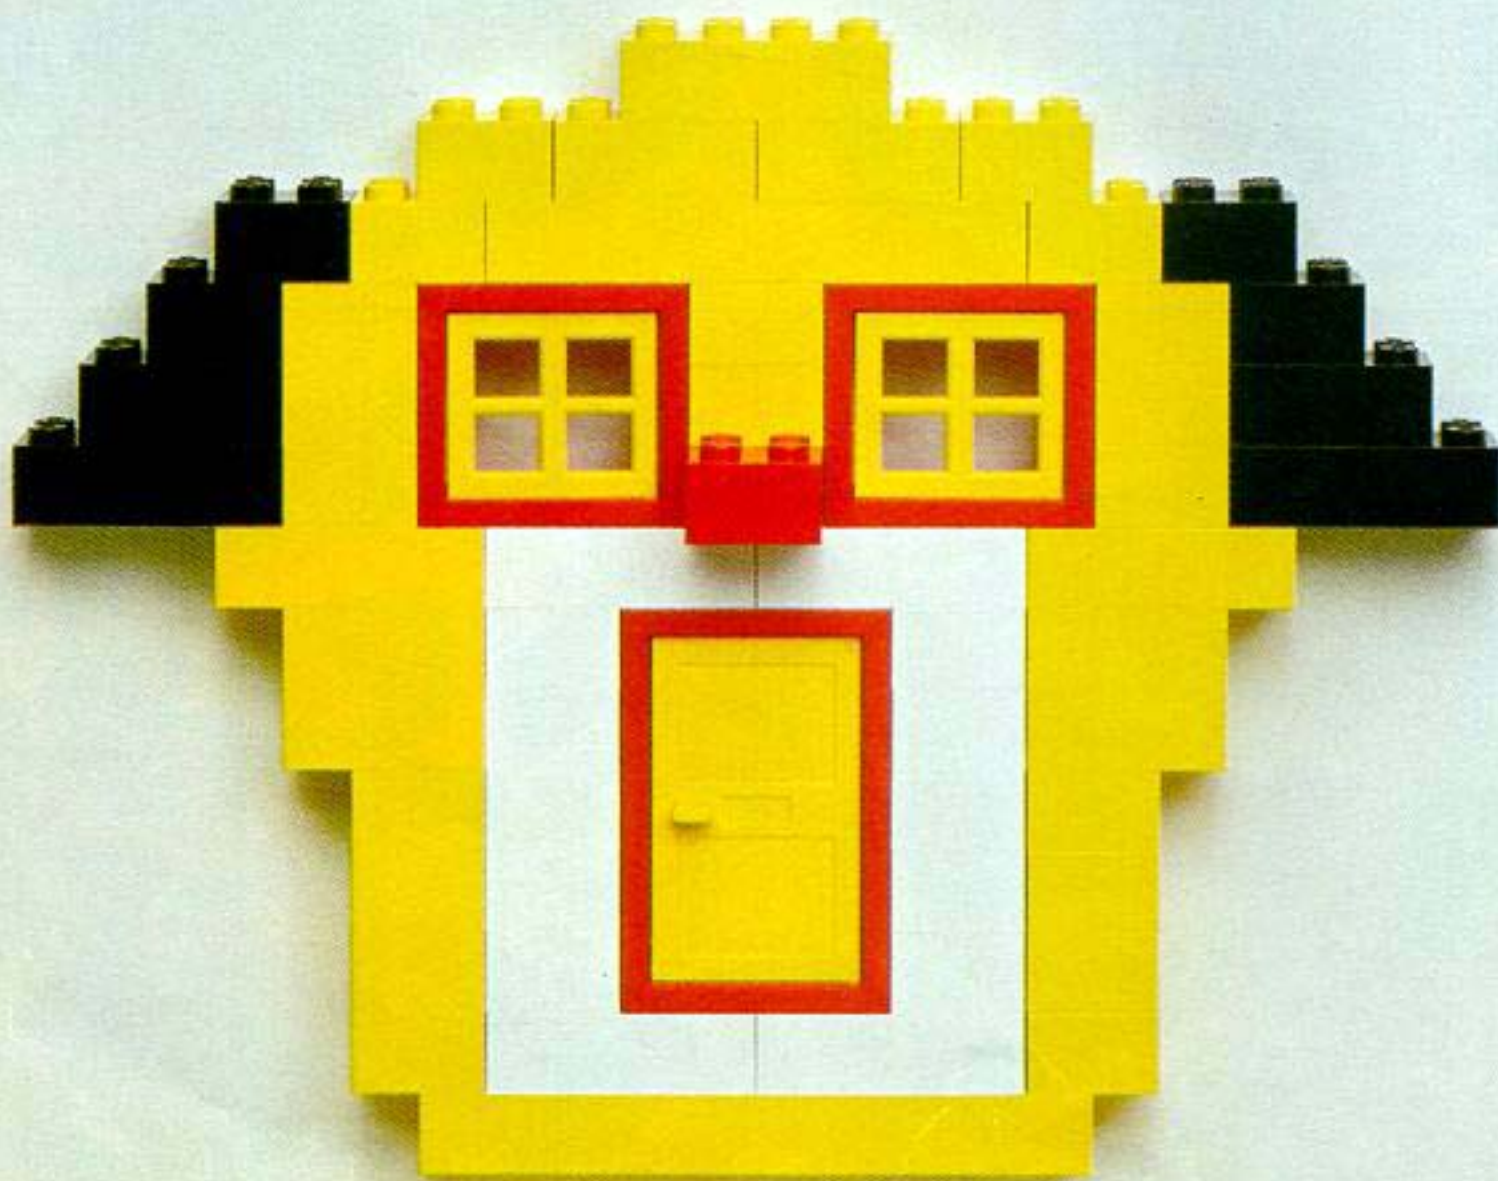

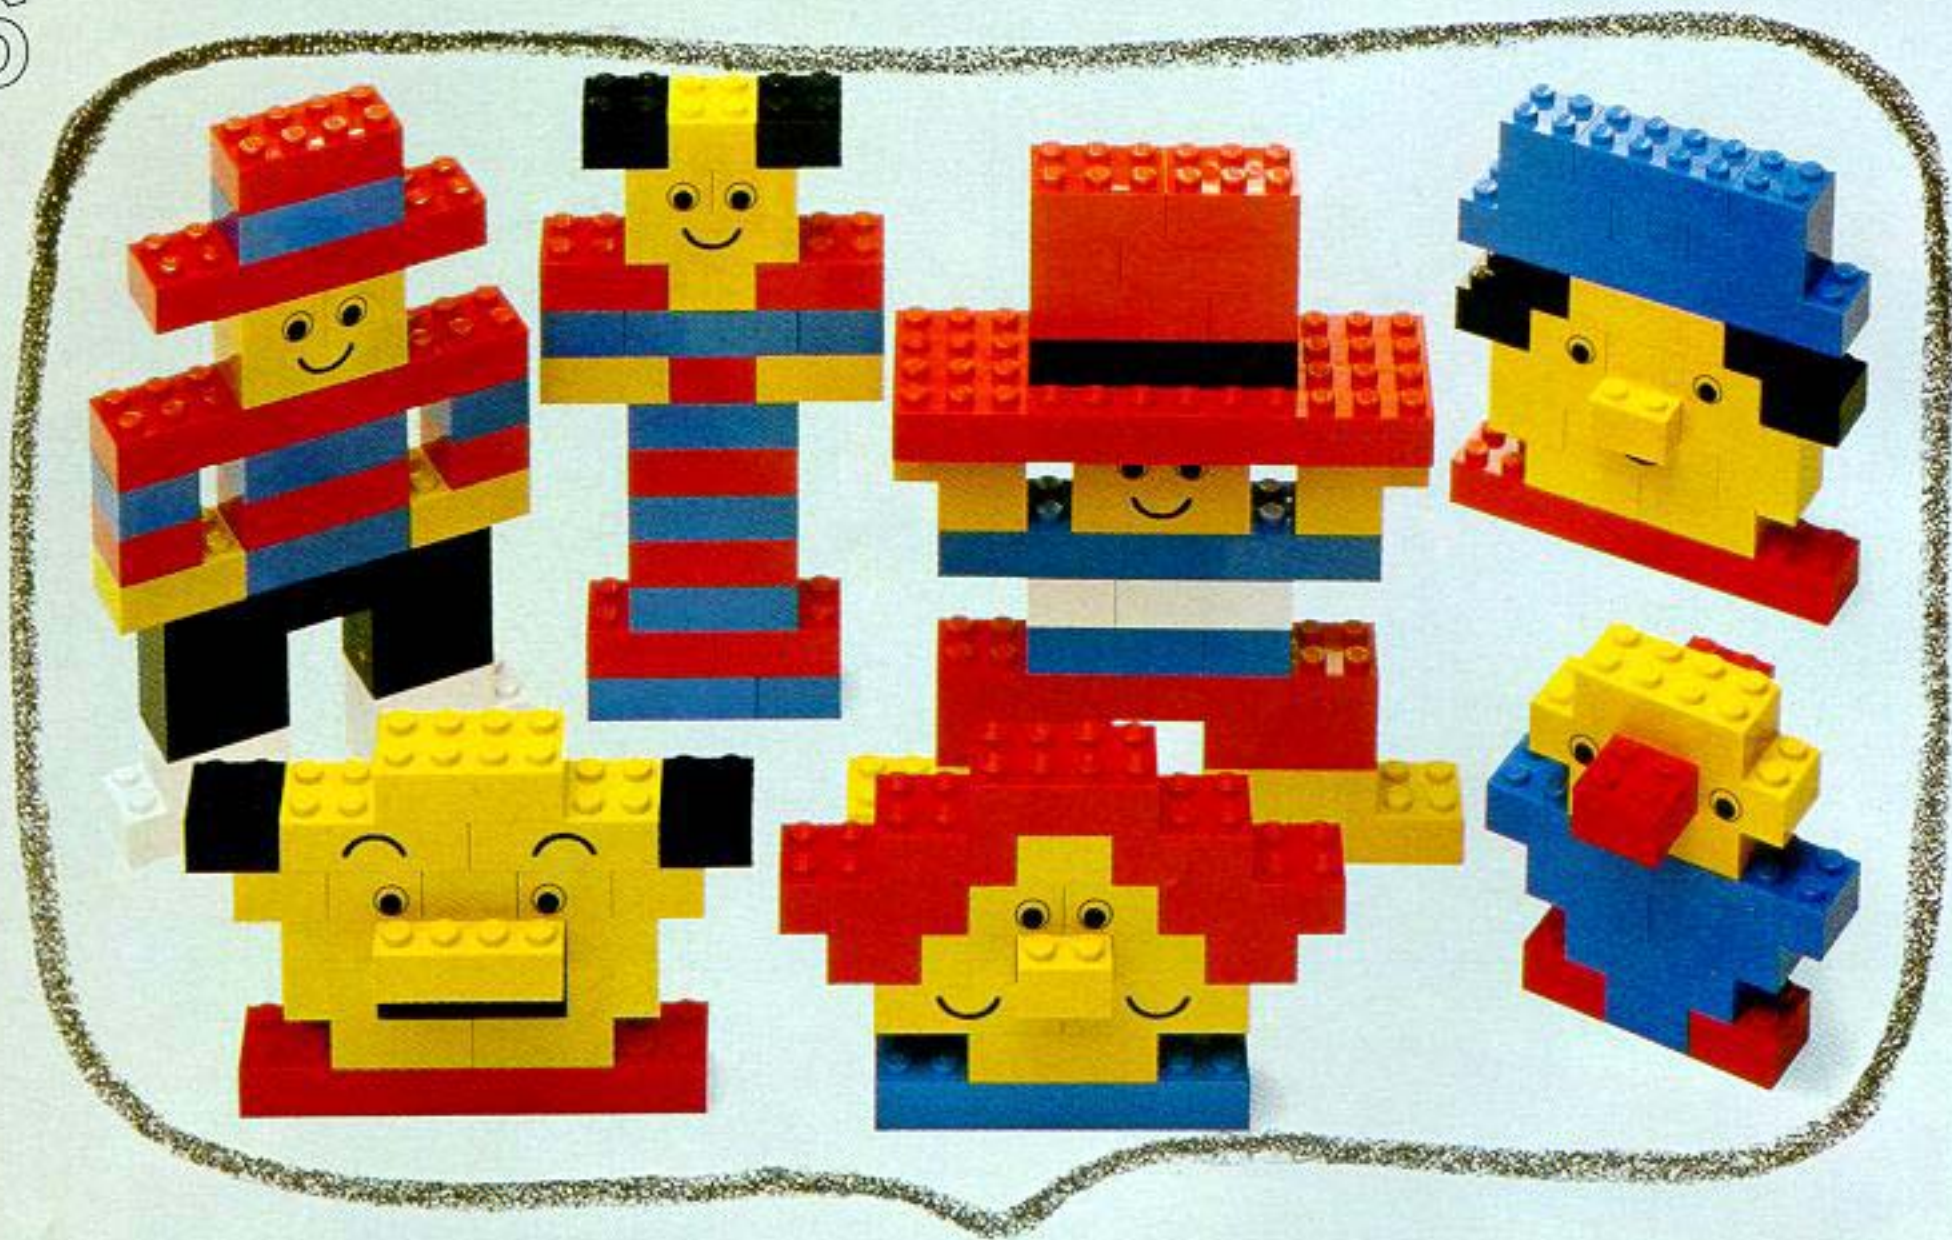

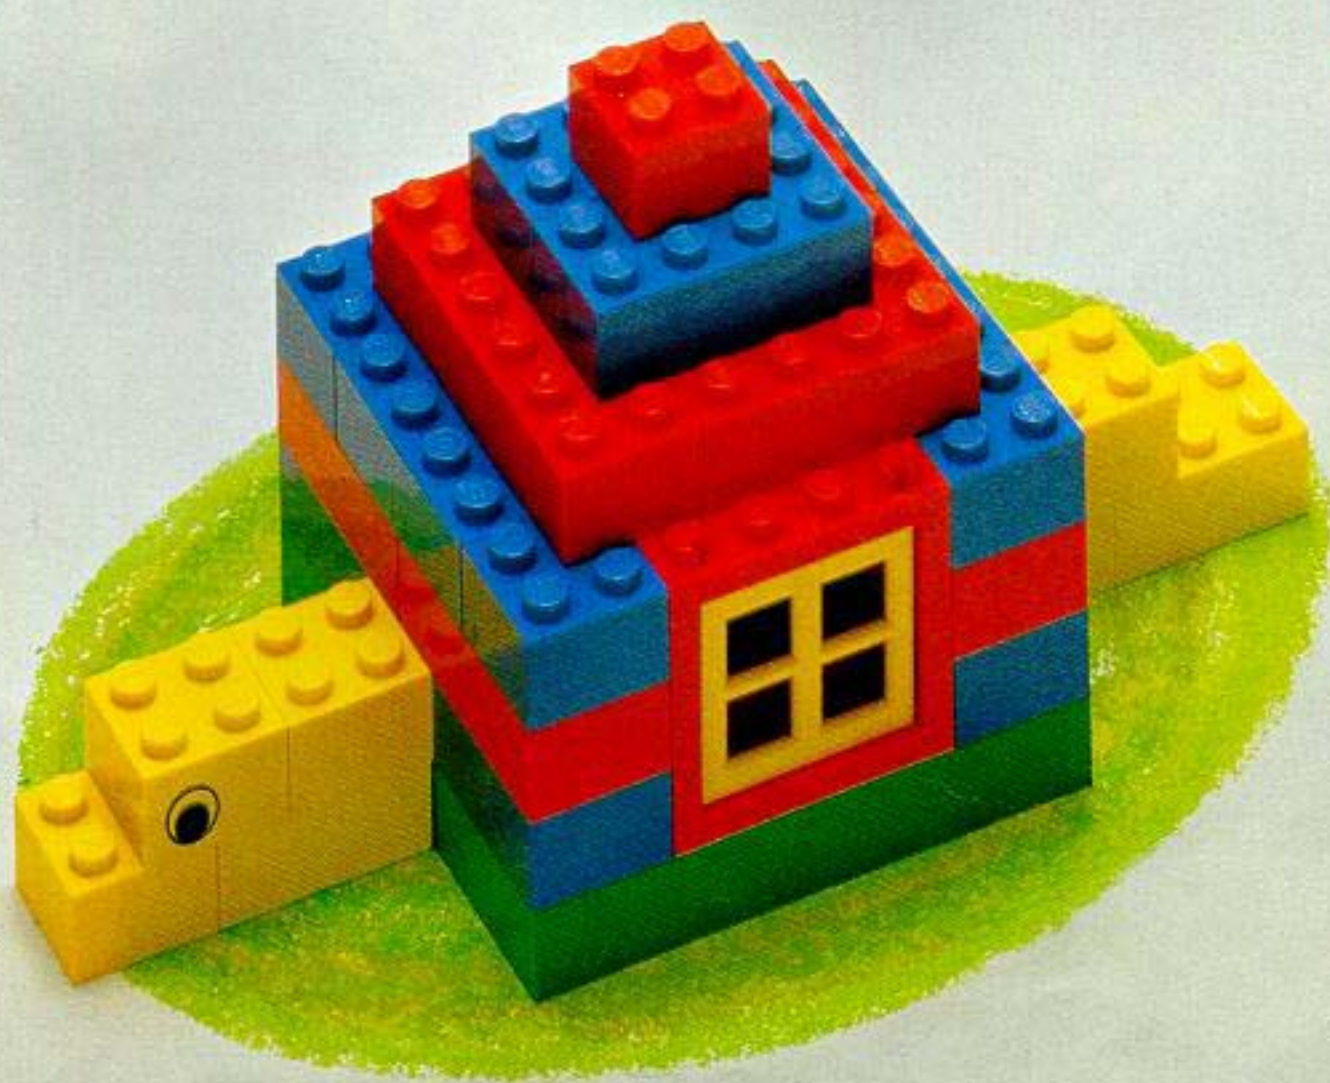

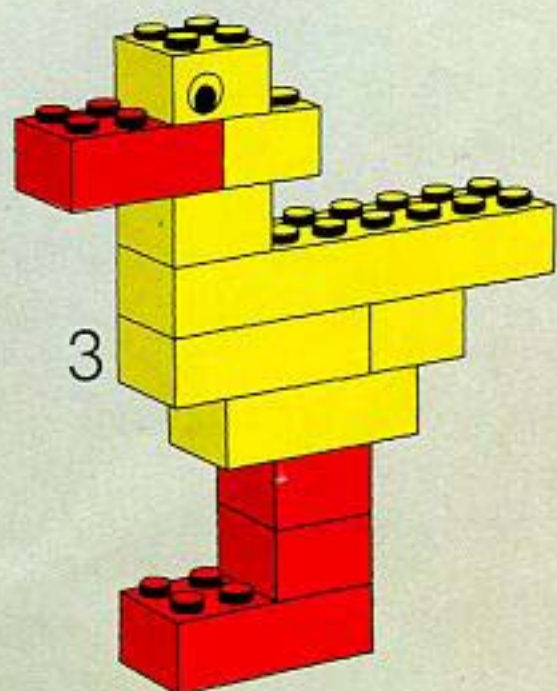

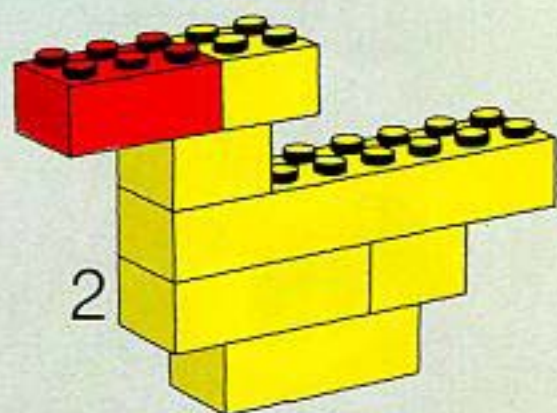

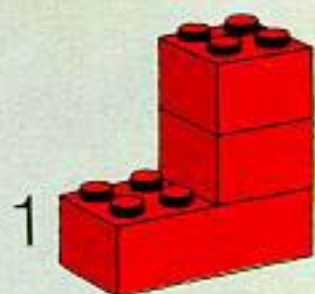

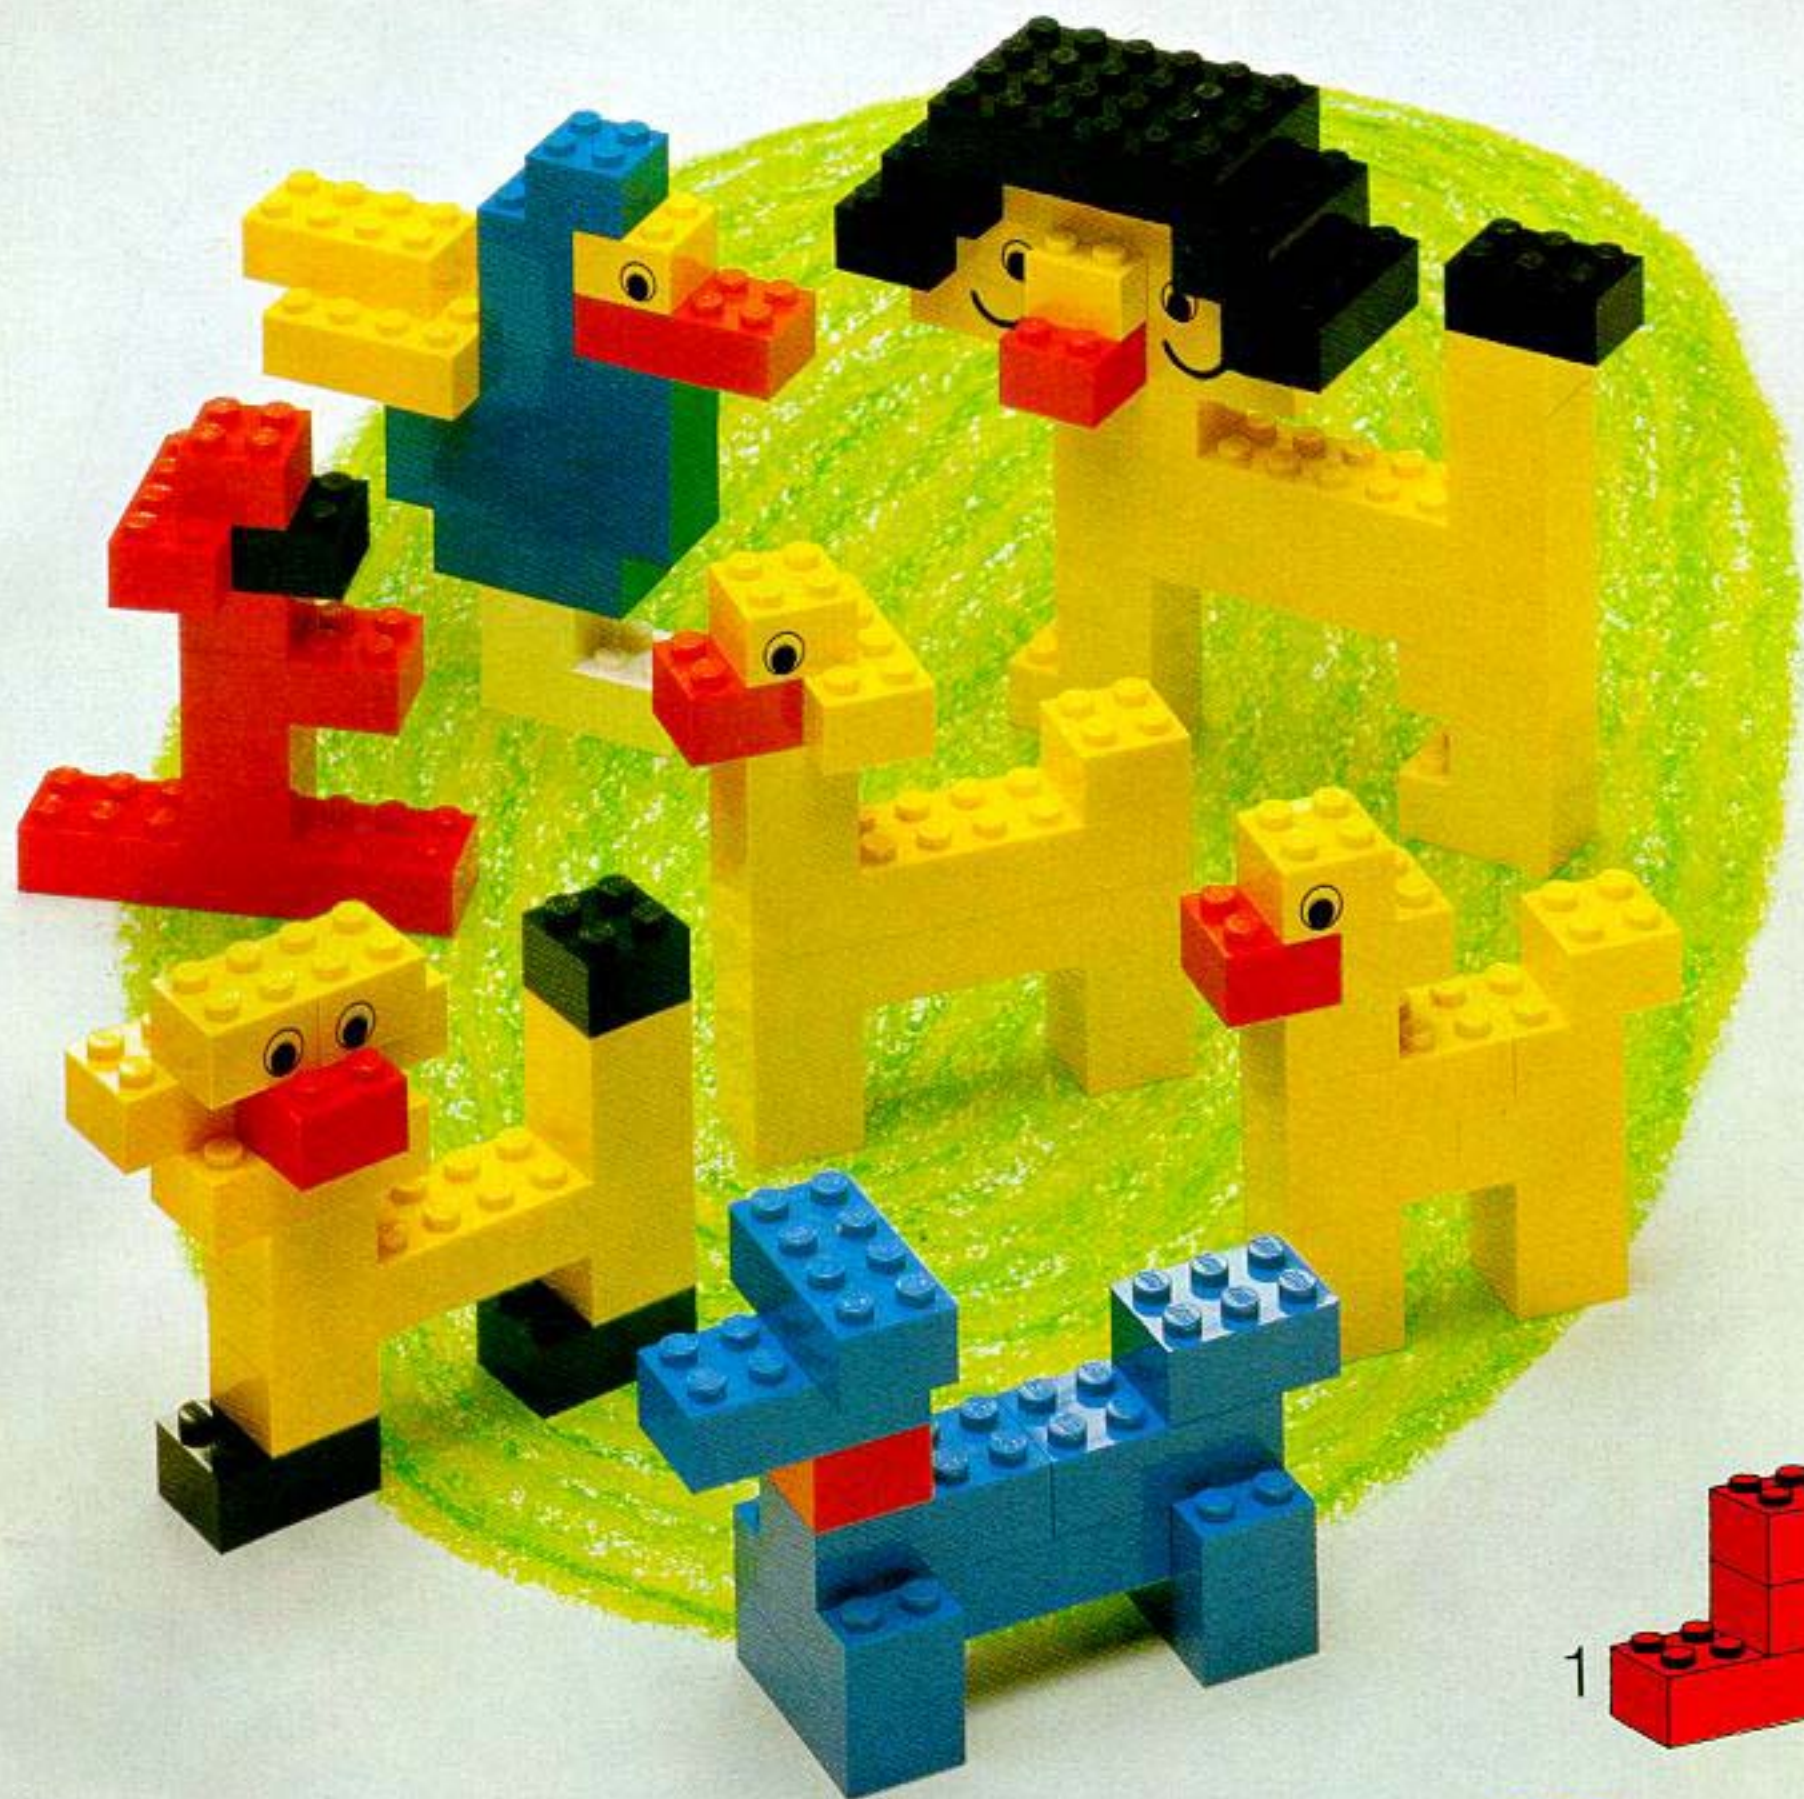

子供たちは想像力にあふれています。そして一瞬のひらめきをヒントにして、さまざまなものを創りだしていきます。

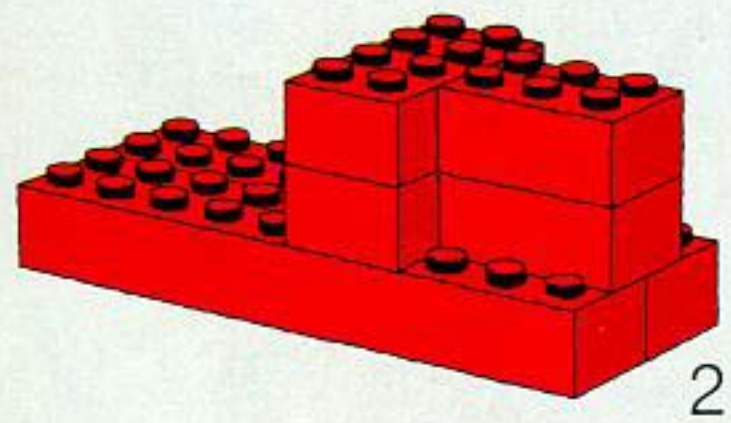

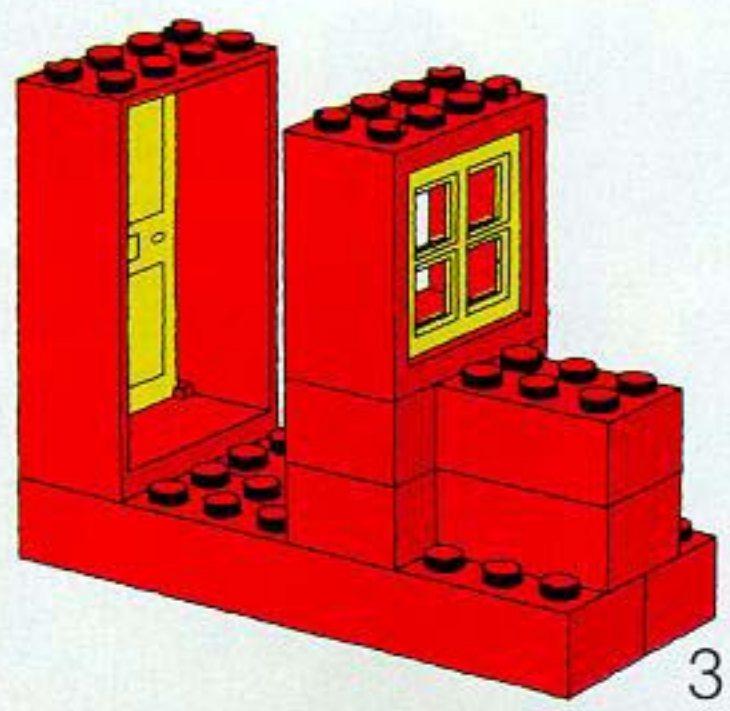

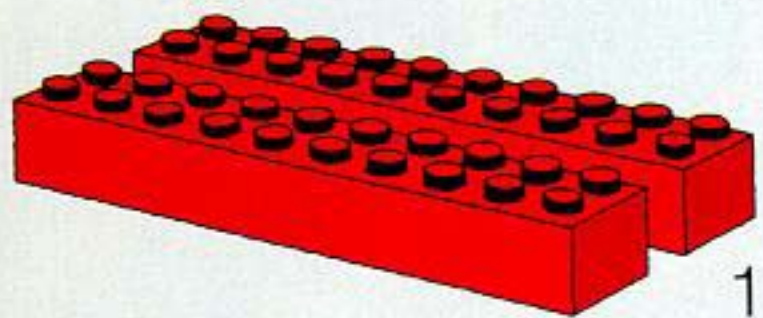

この本には簡単なモデルから、とても複雑なモデルまで子供たちの創造の手がかりとなるアイデアを、たくさん集めてあります。部品が足りなかったりして、この本にのっているものと全く同じには作れないでしょうが、まず試してみてください。今持っているブロックの新しい使い方をしてみるが大変重要なことなのです。さあ、挑戦してみよう!
